December 26-January 2, contact Milos Toth

The goal of the ski trip is for children ages 6 to 18 to enjoy outdoors in the mountains, to participate in sports, and to have an opportunity to socialize with Czech and Slovak peers in an environment that fosters their Czech and Slovak language skills and appreciation for their heritage. Information is also on the [ski trip page on our website](#). Milos can be reached via email at mtoth.tns@gmail.com

Children participate in structured skiing instruction with professional Czech or Slovak ski instructors, in the mornings and afternoons, and in organized indoor games in the evenings. Children under six years are welcome; however, they need to be supervised by their parents, as we do not offer specific activities for this age group.
