### ABOUT THE SOKOL RUN OF THE REPUBLIC

In the fall of 1919 - on the occasion of the first anniversary of the founding of the Czechoslovak Republic, the Falcons prepared an unprecedented sporting event, which enabled the participation of as many falcons as possible, the so-called construction run on October 28. One hundred years later, we decided to renew this tradition. We created the Sokol Run of the Republic and the celebration of October 28, 1918, as a series of runs organized throughout the republic.

It is now an annual celebration of the founding of Czechoslovakia, which is why the date of October 28! In 2019, we ran and celebrated the 101st anniversary of our republic. We continue the Sokol tradition of celebrations of the newly formed Czechoslovak state.
